Report on Multiplier event

E2 Second Multiplier event

University of Ljubljana

May 26th, 2022

Short Report

The Multiplier event started with the registration of participants and a morning snack. There were 30 participants from seven Slovenian textile companies, i.e. eight from BETI d.d., six from Litia Spinnery d.o.o., four from Tekstina d.o.o., three from Inplet d.o.o., two from Lokateks d.o.o., one from Filc d.o.o., one from Interstille d.o.o. and one from Donar d.o.o. In addition, representatives of the Chamber of Commerce and Industry of Štajerska and the Irspin Association were also present.

In the first presentation, Barbara Simončič, a leader of the project group from the University of Ljubljana (UL), presented the aim and objectives of the project, partners, project structure and the activities, including the MOOC layout, preparation of the e-book, creation of the hackathon structure and organisation of the CLEANTEX Summer School, which will take place in Ljubljana in July 2022. She also pointed out the contribution and support of the EU to the CLEANTEX project.

After the coffee break, Andrej Demšar and Brigita Tomšič presented the results of the CLEANTEX project focusing on the macro- and micro-structure of the MOOC, the content of MOOC modules and units. They opened the discussion in which the UL project group answered the participants' questions about the project activities.

The Brainstorming session, led by Barbara Simončič, was followed by a discussion on the quality, effectiveness and transferability of the project results. At the end of the event, participants gave their feedback on the project presentation.
